

You can now pay your water bill using the Direct Payment Plan.

No late payments! Saves valuable time! It's so easy!

Fort Bend Municipal Utility District No. 146 Direct Payment Plan Guidelines & Authorization

To participate in the Direct Payment Plan, simply read the following rules, complete the authorization form, and return the authorization form with a canceled check as instructed.

- ◆ It takes approximately two months before the Direct Payment Plan begins.
- ◆ **PLEASE continue to make payments until your water bill is marked "Bank Draft."**
- ◆ If the payment date falls on Saturday, Sunday, or a Banking Holiday, the payment transaction will occur on the first business day AFTER the payment date.
- ◆ If I close my checking account for any reason, I will notify District thirty (30) days prior to my payment date; otherwise, late penalties and additional bank charges will be applied to my account. Additionally, the authority to charge my checking account remains in effect until thirty (30) days after I notify the District in writing to terminate the authorization.
- ◆ If funds are not available on the payment date, I understand I will be assessed a service charge for a "return item", such as NSF as indicated in District's current Rate Order. District reserves the right to delete you from the Plan with the outstanding balance due immediately. In addition to District fees, there may be fees charged by my financial institution.
- ◆ For questions regarding your bill and any payment questions contact Customer Service, 832-467-1599.
- ◆ Remit the authorization form to one of the following:
 - Direct Payment Plan, P.O. Box 690928, Houston, TX 77269-0928
- ◆ **In order to cancel your auto draft, contact customer service to obtain proper form and instructions @ 832-467-1599**
